Order on the Go! Bring Vet Direct to Your Phone’s Home Screen!

It’s easy to access Purina® Pro Plan® Vet Direct from your smart phone. Simply add an icon to the home screen for quick access, just like your favorite apps.

**iPhone Instructions:**

1. Be sure your phone is connected to wi-fi or data.
2. Type in the site URL into your phone's browser. ProPlanVetDirect.com
3. Press the Action button at the bottom of the screen.
4. Select “Add to Home Screen” from the menu.
5. An icon should appear on your home screen among your apps.
Android Instructions:

1. Be sure your phone is connected to wi-fi or data.

2. Type in the site URL into your phone’s browser.

3. Press the Menu button.

4. Press the dotted button located at the top right.

5. Select “Add to Home screen” from the overflow menu.

6. An icon should appear on your home screen among your apps.
